Keeler in the Morning/Utica Media

March 28, 2017

Dear Ms. Gardner:

I am removing my request for a closed captioning exemption in regards to our television program 'Keeler in the Morning' on WFXV in Utica, NY. We have been able to obtain the services of a company that offers affordable live captioning that meets the Commission's requirements. I'm happy to report that our program is now fully captioned, offering services to the deaf, the elderly and hearing impaired. Thank you for your assistance and patience.

Sincerely,

William E. Keeler Jr.  Digitally signed by William E. Keeler Jr.
